

## HYGIENE OF SEX CONFERENCE ENDS AT MASS MEETING

Week-Long Discussion Will  
Be Closed by Sermons by  
Various Ministers.

The first conference in Washington dealing with "The Boy and the Girl" will conclude this afternoon with a sermon by various ministers in the city on "Sex Hygiene," and a mass meeting for boys in the Y. M. C. A. The conference has been in session for a week, during which time the problems of teaching youth the problems of sex have been discussed.

Dr. George O. Smith, director of the United States Geological Survey, was the principal speaker at a "Fathers and Sons" banquet in the hall of the Y. M. C. A. last night. Later in the evening Dr. Winfield Scott Hall, who has been the chief speaker during the week, spoke on "Sex Hygiene for the Single Man."

Dr. Scott treated the matter of conserving the health of the single man as he would the conserving of timber, coal, or any natural resource. It is more important, he said, "to conserve our human resources than to conserve resources such as coal, oil, or timber. Such conservation means not only that our young manhood is not wasted but that mature manhood is prevented from going into decay."

H. B. F. MacFarland, former District Commissioner, spoke of the changing ideas in America. He showed that not many years ago the American was all for himself, whereas now he was working for the community. Such work made possible the efforts being made in Washington to preserve the youth.

The conference will conclude this afternoon with a mass meeting for boys in the Y. M. C. A. hall in which Dr. Hall will give his last lecture on "Sex Hygiene."

STANLEY BOWDYE.

## LONGWORTH SAYS HE'S COMING BACK

"Laid Up for Repairs," Says Col-  
onel Roosevelt's Son-  
in-Law.

"Laid up for repairs" is the resigned way in which Nicholas Longworth, Congressman from Ohio, speaks of his defeat. The official returns, now complete, show that "Nick" was defeated by a plurality of 97 votes by Stanley Bowdye, the Democratic candidate.

The son-in-law of former President Roosevelt explains that the combined opposition of Democrats and Bull Moose was too much for him. Mr. Longworth's license "laid up for repairs" indicates that he expects to come out of the political repair shop at the expiration of two years and resume his old place on the floor of the House.

## CHARITIES REPORT CONDEMNS SLUMS OF CITY'S ALLEYS

Slum Life Leads Children to  
Vice and Crime, Declares  
Open Air Camp Head.

Condemnation of the alley slums of the National Capital was voiced at a meeting of the Camp Pleasant committee of the Associated Charities at Shiloh Baptist Church when the report of the superintendent of the camp during the past summer was read.

After telling of the wonders worked on half-starved children by two weeks in the camp at Lincoln Heights, the report said:

"It is a reflection on this great, wealthy nation of ours that such lads, brought with the promise of a useful manhood, should be compelled to turn to the alley life where poverty and hunger will soon inevitably lead them to vice, immorality, and crime."

The Rev. W. D. Jarvis was elected chairman of the committee for the ensuing year, other officers including: The Rev. D. E. Wieman, first vice president; Prof. D. W. Cook, treasurer; F. L. Lee, secretary; the Rev. Arthur Randall, chaplain; and Dr. C. W. Childs and G. W. Cabanis, medical directors.

Mrs. Sarah Fernandez and the Rev. John Van Schaick, Jr., were speakers at the meeting.

## FORTY ILL AFTER DINNER OF TURKEY

Cold Storage Fowl Is Believed  
to Be Cause of  
Poisoning.

GLoucester, Mass., Nov. 17.—Cold storage turkey sent here from Boston is today believed to have been responsible for forty cases of ptomaine poisoning among members of the First Baptist Church, following a church supper given by the ladies of the church.

The pastor, the Rev. Benton J. Nelly, is the most seriously ill. An investigation is being conducted by members of the church to definitely fix the blame.

## STATE SOCIETIES WILL BE URGED TO CELEBRATE FEB. 22

California Association Starts  
Movement to Honor Wash-  
ington's Birthday.

An effort will be made to have all of the State associations and societies in Washington hold a meeting on George Washington's Birthday, February 22. M. F. O'Donoghue, president of the California State Association, was instructed at a meeting of the association last night to inaugurate a movement of this kind. He will at once get in communication with the officers of the other associations and societies.

The association met last night at 90 F street northwest. Besides instructing its president to inaugurate a movement for a general meeting of the associations and societies in the District, all surviving members of the old Pioneer's Association, which was the title of the present body back in the 30's, when it was organized, were made honorary members for life, as was also Col. John A. Joyce, who made an extensive tour through California in 1874.

Colonel Joyce gave a short address, telling of his experiences in California in the early days. He recalled several months which he had written about in California at the time of his visit out there. A. B. Griffith entertained for ten minutes with some clever impressions. A number of others appeared on the program.

## ECZEMA

Also Called Tetter, Salt Rheum, Pruritus, Milk-Crust, Weeping Skin, etc.

ECZEMA CAN BE CURED TO STAY, and when I say cured, I mean just what I say—CURED, and not merely patched up for a while, to return worse than before. Remember I make this broad statement after putting ten years of my life into the study of this terrible disease. Now, do not care what all you have used, nor how many doctors have told you that you could not be cured—until I ask you just a chance to show you that I know what I am talking about. If you will write me TODAY, I will send you a FREE TRIAL of my new, scientific, guaranteed cure that will convince you more in a day than I or anyone else could in a month's time. If you are disgusted and discouraged, I dare you to give me a chance to prove my claims. By writing me today you will enjoy more real comfort than you had ever thought this world holds for you. Just try it and you will see I am telling you the truth.
